OFFICE OF PETITIONS

In re Application of

Whirley et al.

Application No. 10/769,532

Filed: January 30, 2004

Attorney Docket No. 760-251

ON PETITION

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed October 6, 2006, to revive the above-identified application.

The petition is **GRANTED**.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of a Request for Continued Examination (RCE); (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the response has been accepted as having been unintentionally delayed.

An extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S., 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Accordingly, since the \$450.00 extension of time fee submitted with the petition on October 6, 2006, was subsequent to the maximum extendable period for reply, this fee is unnecessary and will be credited to petitioner's deposit account as authorized.

This matter is being referred to Technology Center 3700 for processing of the Request for Continued Examination under 37 CFR 1.114 filed with the instant petition.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3206.
